The Santa Monica is our modernist “Palm Springs” inspired pad. You’ll be impressed by the unobstructed views, light well garden and the “brady bunch” feel of this modern reinvention!

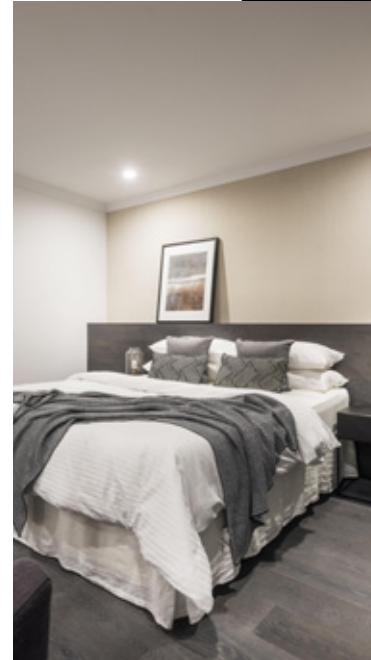

As you sip your mojito, be mesmerised by the sunset view from your rooftop terrace. Seamlessly flow between the living areas and outdoor terraces make this home an entertainer’s dream. Save sharing your dirty secrets for the sunken lounge with your favourite nightcap, or fall asleep by the open fire.
