It's a jungle out there, so what better than your own safe haven, tucked away from the herd rushing past on the Woodlands trail.

A discreet side-entry leaves room for strong sweeping lines and bold feature brick, taking savannah style up a notch. One for the cool (meer)kats, this is a home with edge. A home with an internal courtyard. A nursery and a home office. A home with everything you need and nothing you don't. Yes, it really is that simple(s).
